

# FAQ: BDM support

## Services

The Source BDMs are in place to help you explore and understand the general insurance (GI) opportunities within your business. Our BDMs offer training and guidance to ensure you have robust, compliant, selling practices to successfully complete your first quote using our platform.

If you would like to contact your local BDM and are unsure of your Region, please view the BDM map below. You can find the contact details for your BDM adjacent to the map.
