Using this booklet

Please read this **policy** booklet with your schedule to make sure that you are satisfied with your insurance. If you have any questions please contact your insurance adviser.

Certain words and phrases have a defined meaning. You can find the meanings of these defined terms on pages 9 – 11.

We have included some explanatory notes in your **policy** booklet. These are printed in *italics*.

You will find the following headings on many pages.

✓ What is covered

These sections give detailed information on the insurance provided and should be read, at all times, with 'What is not covered'.

X What is not covered

These sections tell you what is not included in your **policy**.

Your policy

Thank you for choosing AXA Insurance UK plc.

This **policy** describes the insurance cover provided during the **period of insurance** as shown in your schedule which you have paid for, or have agreed to pay for and for which we have accepted the premium.

The contract between you and us is made up of this **policy**, the schedule and **endorsements** shown in the schedule.

Important information

Please read this **policy** booklet with your **policy** schedule to make sure that you are satisfied with your insurance. If you have any questions please contact your insurance adviser.

Please also take some time to read our complaints procedure in the Making a complaint section on page 63.

The law which applies to this policy

You and we can choose the law which applies to this **policy**. We propose that the Law of England and Wales apply. Unless we and you agree otherwise the Law of England and Wales will apply to this **policy**.

Checking for changes to your cover

If you have varied the basic terms of your **policy** with us this will be stated on your schedule.

In addition we may apply **endorsements** that can include things like a requirement to have a burglar alarm fitted, a certain type of lock on your doors, a larger **policy excess** on a specific section or an increased limit for one of your **valuable** items.

Important advice

Our AXA ABC Home Insurance policy is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, theft, flood and storm. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your home.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this policy in full along with the policy schedule. We have also taken this opportunity to bring some helpful information to your attention.

This section does not form part of your policy and contains only examples of what is contained in your booklet.

Collision

If someone crashes into your wall or your house make sure you record their name, address, vehicle registration and contact details. We will need this information to help us try to recover your excess.

Subsidence

Damage caused by subsidence is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than subsidence and this natural settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your home may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

It's always a good idea to get your boiler checked and/or serviced by a Gas Safe/Oftec/Hetas certified engineer, depending on your heating system, in plenty of time for winter. This will help prevent boiler failure which could leave you with no heating and/or hot water.

One of the biggest risks of water damage occurs when you are away during the winter where pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this by keeping your central heating on low so your pipes do not freeze over. If you want to turn your heating off then you should drain your central heating system and switch off the water at the mains.

Please be aware that cover ceases after the home has been unoccupied for more than 30 days.

In addition, damage can occur due to water leaks caused when the sealant or grout around your bath or shower has worn away or failed. It is important to inspect and maintain your property as damage of this nature is not covered by the policy.

Pipes often burst because they have worn out; if this happens you should turn off the main stop tap and contact a plumber. We will be able to pay for the damage the water caused but not to repair the pipe itself.

Important advice *continued*

Fires

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment – particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure you bear these risks in mind and take adequate precautions to protect yourself and your family.

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

Floods

If water has or is expected to enter your property you should secure your home and move your valuables and essentials to an elevated place or upper floor. You should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your home and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by your policy but there are more specific insurance policies available to protect you against this risk.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this policy. It is therefore important that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or down-pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if you cannot check them yourself you should use a relevant building expert to do this for you.

Thefts

Many thefts are committed by so called 'opportunistic' criminals. Your property is significantly more likely to be burgled if accessible entrances are not locked and secured. Your policy may carry an endorsement about the security you have in place to prevent thefts. This usually requires you to have certain types of door and window locks. Make sure you check your schedule to ensure you have the right protection in place. If you fail to meet these requirements we may impose a higher excess for theft claims.

Important advice continued

If you are going away, do what you can to make your house appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if you have them.

Garages and sheds are attractive to criminals as they are easier to break into and often contain valuable items such as tools or golf clubs. Locking these is another important step to minimising the risk of a theft.

You should also take particular care of items such as laptops and MP3 players or ipods if you have personal possessions cover. We will not cover the theft of such items if they have been left unattended outside of your home.

For example, if the value of your **contents** shown on your schedule only represents 70% of the full replacement value then we will not pay more than 70% of your claim.

The full replacement value of your **contents** means the current cost to replace all your **contents** as new.

We recommend that you check your **policy** cover.

Check that the loss or damage is covered. This **policy** contains details of what is covered and how claims are settled.

You should always immediately:

- contact us by phone on the helpline shown in your schedule
- take all reasonable steps to recover missing property
- take all reasonable steps to prevent further damage.

Claims process

By telephoning us on the helpline shown in your schedule we will

- 1 take details of the loss
- 2 arrange for a nationwide approved tradesperson to provide us with an estimate
- 3 instruct an approved supplier to contact you if appropriate
- 4 where necessary arrange for someone to call or contact you by phone as soon as possible to discuss your claim. This person may be one of our own claims staff or an independent Chartered Loss Adjuster.

Emergency process

We provide a 365 days a year 24 hours a day Domestic helpline. By telephoning 0330 024 6849 an approved contractor can be appointed who will undertake any temporary repair. You will remain responsible for any call out charges, parts and cost of labour however these repairs may be covered under the **policy**. We should however be given the opportunity to inspect the damage before permanent repairs are started or any item is disposed of.

What you must do after making your claim:

- tell us and provide full details in writing immediately if someone is holding you or your **family** responsible for damage to their property or bodily injury to them and send to us immediately any writ, summons, letter of claim or other document
- if requested send written details of your claim to us within 30 days
- to help prove your claim we may require you to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, utility bills, pre-purchase surveys or plans and deeds of your property

- admit or deny any claim made by someone else against you or your **family** or make any agreement with them
- abandon any property to us
- dispose of damaged items as we may need to see them.

Fraud

Throughout your dealings with us we expect you to act honestly

If you or anyone acting for you:

- knowingly makes a fraudulent or exaggerated claim under the **policy** or
- knowingly makes a false statement in support of a claim or
- submits a knowingly false or forged document in support of a claim or makes a claim for any loss or damage caused by your wilful act or caused with your agreement, knowledge or collusion.

Then:

- we may make your **policy** void from the date of the fraudulent act
- we will not pay any fraudulent claims
- we will be entitled to recover from you the amount of any fraudulent claim already paid under the **policy** since the start date
- we may not return any premium paid by you for the **policy**
- we may inform the Police of the circumstances.

What we are entitled to do:

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party.

We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in your name.

How we settle claims

We may repair, reinstate or replace the damaged property. If we cannot replace or repair the property we may pay for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

If no equivalent replacement is available then we will pay the full replacement cost of the item with no discount applied.

The sums insured that apply to your **policy** will not be reduced by any claim.

An approved supplier may be appointed where appropriate to act on our behalf to further validate your claim and they are authorised to arrange a quotation, a repair or a replacement where appropriate. Any permanent repairs made by our approved suppliers are guaranteed.

Matching sets, suites and carpets

An individual item of a matching set of articles or suite of furniture or sanitaryware or other bathroom fittings is regarded as a single item. We will pay you for individual damaged items but not for undamaged companion pieces. If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings. Where carpeting is damaged

beyond repair only the damaged carpet will be replaced and not undamaged carpet in adjoining rooms.

Contents

We will settle claims for loss or damage which are beyond economic repair on the basis of cost as new, subject to the **excess** as long as:

- the **contents** have been maintained in good repair
- the **contents** limit shown in your schedule is sufficient to cover the full value of the property.

For **contents** the full value means the current cost to replace all your **contents** as new.

Buildings

We will settle claims for loss or damage to the **buildings** without deduction, subject to the **excess** as long as:

- the **buildings** have been maintained in good repair
- the **buildings** limit shown in your schedule is sufficient to cover the full value of the **buildings**.

For **buildings** full value means the cost of rebuilding if the **buildings** were completely destroyed. This is not necessarily the market value.

If it is not possible to repair or rebuild the damage to the **buildings**, or it is uneconomical to do so, we will at our option pay the difference between the value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the **building** but you ask

How we settle claims *continued*

us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your buildings due to the damage but not more than it would have cost us to repair the damage to your **buildings**.

Storm damage claims

The definition of what we mean by **storm** can be found in the 'Meanings of defined terms' section on pages 9 – 11.

When we assess your claim, we will not rely solely on the definition of **storm** as this is just one factor we consider when you have this kind of damage to your **home**.

Other factors we consider are as follows:

- Does the evidence show that **storm** conditions occurred on or around the date the damage is said to have happened.
- Is the damage claimed for consistent with the damage caused by **storm** damage.
- Were **storm** conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the **storm**. This insurance **policy** is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this **policy** for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your **home** before making a decision. In order to help assess your claim, we will also send a claims expert to your **home** if necessary.

Inflation protection

To help protect you against the effect of inflation every sum insured and monetary limit under **contents** and personal possessions and **buildings** will be adjusted at the end of each month by the percentage increases in the following indices:

Contents/personal possessions

The Consumer Durables section of the Retail Price index compiled by the Office for National Statistics.

Buildings

The House Rebuilding Cost Index compiled by the Building Cost Information Service of the Royal Institution of Chartered Surveyors.

If an index becomes unavailable we will use a suitable alternative index. We will not reduce the sums insured or monetary limits if an index should fall.

The premium at renewal for the next **period of insurance** will be based on any increased sum insured.

Although you have the benefit of Inflation protection you should not rely on this alone to keep the **buildings** and **contents** and personal possessions sums insured at the correct level.

The value of your **buildings** or **contents** or personal possessions may be growing faster than inflation – perhaps because of a new extension or acquired items.

It is a condition to insure for the correct sum (see Maximum limits on pages 12 – 13).

Contents standard cover

Your schedule will show if this section is in force. Inflation protection applies (see page 21).

Specialist lawyers are at hand to help you. If you need a lawyer or accountant to act for you and your problem is covered under this insurance, the helpline will ask you to complete a claim form online by visiting www.arclegal.co.uk/informationcentre

Alternatively they will send a claim form to you. If your problem is not covered under this insurance, the helpline may be able to offer you assistance under a private funding arrangement.

In general terms, you are required to immediately notify us of any potential claim or circumstances which may give rise to a claim. If you are in any doubt whether a matter constitutes a notifiable claim or circumstance, contact the Legal helpline.

Legal helpline

Use the 24 hour advisory service for telephone advice on any private legal problem of concern to you or any member of your household. Simply telephone 0330 024 6861 and quote 'AXA ABC – Family legal protection'. For our joint protection telephone calls may be recorded and/or monitored.

Additional legal services

In this package our aim is to provide a wide ranging insured legal service. Inevitably there are areas where it is not possible to insure legal expenses, in particular those which everybody at some time faces, but which are nevertheless often expensive and sometimes unexpected. Examples are:

- 1 Legal expenses arising from the sale or purchase of the **home** and re-mortgaging.
- 2 Divorce and child custody issues.
- 3 Wills and probate.

To help you deal with these and other matters which may arise, we are able to give you access to discounted legal service provided by us in partnership with our panel solicitors. Our panel solicitors are one of the country's leading law firms with expertise in all areas where assistance is likely to be required.

If you would like to make use of the service please contact the number above for an initial telephone consultation which will be provided at no cost to you.

Our panel solicitors will give you a quotation for the likely cost of their representation and it will then be your decision whether you appoint them to act for you.

Subject to your consent which shall not be unreasonably withheld we may reach a settlement of the **legal action**.
- b You must supply at your own expense all of the information which we reasonably require to decide whether a claim may be accepted. If court proceedings are issued or a **conflict of interest** arises, and you wish to nominate a legal representative to act for you, you may do so. If the parties cannot agree on their choice of arbitrator the Law Society may be asked to make a nomination. The arbitration will be binding and carried out under the Arbitration Act. The costs of the arbitration will be at the discretion of the arbitrator.
