

Preventing Identity Theft

Keep things safe

Keep your personal documents in a safe place.

Online protection

Always install the latest software or app updates.
Enable an anti-virus app.

Shred before you bin it

Use a shredder to destroy unwanted documents.

Use different passwords

Protect your online accounts with strong and **different** passwords.

Report lost or stolen items

Immediately report any lost or stolen passports or bank cards.

Who is watching or listening?

Make sure others cannot see or hear your personal information.

Verify and question

Never reveal your log in details, passwords, pin or account numbers.

Check your details

Check your statements regularly.
Report anything suspicious.
