# How We May Choose To Settle Your Claim - Buildings

### **Important**

It is important that **you** insure **your buildings** for the full rebuilding cost of **your home**, as the **sums insured** shown in **your schedule** are the maximum that **we** will pay in the event of a claim.

If the **buildings sum insured** is less than the full rebuilding cost value of **your home**, **we** will reduce the amount **we** pay in the event of a claim in proportion with the underinsurance. For example, if the amount insured is only 80% of the actual rebuild/replacement cost, **we** will only pay 80% of **your** claim.

**We** will decide whether to repair, replace or reinstate the damaged part of the building. **We** may do this by using one of **our** suppliers. **We** will pay the full cost of the work, including any professional demolition, local authority costs or fees, as long as the work is finished without delay. All repairs carried out by one of **our** partners are guaranteed for at least 12 months.

If **your home** cannot be repaired or **you** chose to accept a cash settlement, **we** will only pay the cost of the repair or replacement of the damaged part of the building, to put **you** in the same financial position as before the damage happened. **We** will not pay the market value of the land **your home** sits on or for any undamaged **buildings** within the boundaries of **your home**.

**We** will take off an amount or wear and tear if the **buildings** are not properly maintained, or **your sum insured** is less than the actual cost of the rebuilding of **your home**. **You** will need to pay any remaining costs for repair or replacement of damaged **buildings**.

The most we will pay is the limit in your schedule.

If any loss, damage, or liability is covered by any other insurance then **we** will not pay more than **our** share.

Apart from **us**, only **you** have the right to make a claim under this policy. This means that a law called the Contracts (Rights of Third Parties) Act 1999 does not apply to **your** cover in relation to any third-party rights or interest.

If part of a set, suite, group or collection of items is lost or damaged, and **we** cannot replace or repair it, **we** will:

- replace the set, suite, group or collection of items as new
- pay the cost of replacing the set, suite, group or collection of items as new, up to the amount it would have cost **us** to replace the item using **our** own suppliers; or
- pay the full cost of the item, provided the **sum insured** is adequate, if no equivalent or replacement set, suite, group or collection of items is available.

If **we** ask **you** to, **you** will have to give up the undamaged parts of the set, suite, group or collection to **us** where the full replacement cost has been paid.

It is **your** responsibility to prove any claim. To help prove **your claim we** may require **you** to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, proof of authenticity, utility bills, pre-purchase surveys, plans and deeds of **your home**, or other documents **we** may reasonably require.

In dealing with any **buildings** claim under this policy, either before or after **we** pay **your claim**, **we** may:

- carry out the defence or **settlement** of any claim and, if required, choose the solicitor who will act in any legal action and arrange for payment of any associated costs and/or expenses

# How We May Choose To Settle Your Claim - Contents

### **Important**

It is important that the **sum insured** shown in **your schedule** is adequate if **you** need to replace all of your **contents** as new in the event of a claim.

If the **contents sum insured** is less than the cost of replacing all of **your contents**, **we** will reduce the amount **we** pay in the event of a claim in proportion with the underinsurance. For example, if the amount insured is only 80% of the actual replacement cost, **we** will only pay 80% of your claim.

**We** will decide whether to repair, replace or reinstate the damaged part of **your contents**. **We** may do this by using one of **our** suppliers. If the item cannot be repaired or replaced, **we** will pay the cost of an equivalent replacement.

When we pay your claim, we will take off the excess shown in your schedule.

The most we will pay is the limit shown in your schedule.

If part of a set, suite, group or collection of items is lost or damaged, and we cannot replace or repair it, we will:

- replace the set, suite, group or collection of items as new
- pay the cost of replacing the set, suite, group or collection of items as new, up to the amount it would have cost us to replace the item using our own suppliers
- pay the full cost of the item, provided the **sum insured** is adequate, if no equivalent or replacement set, suite, group or collection of items is available.

If **we** ask **you** to, **you** will have to give up the undamaged parts of the set, suite, group or collection to **us** where the full replacement cost has been paid.

It is **your** responsibility to prove any claim. To help prove **your claim we** may require **you** to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, proof of authenticity, utility bills, pre-purchase surveys, plans and deeds of **your** property, or other documents **we** may require.

**We** will not pay more than the cost of the repair or replacement if **your sum insured** is less than the full cost of replacing all of **your contents** as new.

In dealing with any contents claim under this policy, either before or after we pay your claim, we may:

- carry out the defence or settlement of any claim and if required choose the solicitor who will act in any legal action and arrange for payment of any associated costs and/or expenses
- take any legal action in **your** name, or the name of any other person covered by this policy, to recover any **money** due from a third party or get compensation
- take possession of **your home** and deal with any salvage and any other costs.
